WELCOME

Dear Parent:

Upton Lake Christian School partners with Christian families who are like-minded spiritually, who are supportive of our philosophy, objectives, and standards of education, and whose children meet our enrollment standards. Our purpose is to serve families who desire not simply a private education, but a distinctively Christian education for their children. We enclose in this packet our mission, vision and outcomes, our statement of faith, and our philosophy of education. Biblical principles are integrated into every subject taught at our school. Our staff is committed, not only to academic excellence, but also to teaching students how to apply the truths of God's Word to every aspect of life. If you are in agreement with the teachings of God's Word, ULCS will complement the beliefs and ideals your child is taught at home. We look forward to partnering with you to educate your child in God's truth. We also partner with scripture-based evangelical churches in training our young people for successful Christian lives. Our community of educators strives to:

- Teach to transform lives
- Foster a passion for God
- Prepare today's youth for tomorrow's challenges

Please schedule an interview/tour with our administration if you have not already done so. A checklist is provided to assist you in ensuring that you have received all of the necessary application information. Upon return of these application materials and a nonrefundable \$100 application fee (checks made payable to ULCS), the process of admission is started. A final acceptance decision will be made pending the outcome of the application information, screening, and evaluation.

Registration information will be sent to you upon acceptance.

Sincerely,

Elisa DeWitt
Principal
